

***Hello everyone -***

***This year is the 10 year anniversary of the first ADWD program aired on the BBC, where a lot of us first saw Lee - and haven't our lives changed since then?***

***Meadaholics.com is a fan site, so we want the stories to be about Lee's fans.***

***In keeping with that spirit, we are asking you, Lee's fans, to share your special Lee memories in the last 10 years.***

***They can be funny – sentimental or not - as long as it is special to you. If you have a photo you want to share, that would be great.***

***It doesn't have to be just Joseph or ADWD-related. If you came to find Lee via some other performance (Casualty or Chitty, for example), we would love to hear about that as well.***

***Mostly we want your stories- so we can share now and from time to time throughout this year. Please email them to:-
