Mar 4 Lee Mead on Radio

Two fantastic radio interviews regarding Lee's new tour . . .

Mar 23 Exciting Announcement from Lee Mead

It has been an exciting week of awesome news from Lee Mead and a reunion with an old friend . . .

Lee mentioned during his current "My Story" tour that he had accepted the position of creative director for Chelmsford City Theatres. Now comes the news that his own production company, Lee Mead Productions Limited, will produce the play "Someone Who'll Watch Over Me" by acclaimed playwright Frank McGuinness - and that he will star in the limited run. You know tickets will go quickly so click on the link below to get yours!

And if that weren't exciting enough, BBCRadio2 aired a recently recorded interview with Lee and Graham Norton. What a fun (and a bit silly) duo they are!

Nov 12 Lee Mead News Updates

A busy time of year for everyone - and that includes Lee Mead. Here are some highlights:

What an honor for Lee to be invited to perform at the Festival of Remembrance to be attended by the Royal Family! What was originally to be a reading became a song at the last minute and we all are the beneficiaries.

A lovely new fan sent along these photos to share with us

And finally, we have another beautifully written review from Jane W - a wealth of Lee-riches, indeed!
